PROFESSIONAL SUMMARY

IT professional with over 10 years of experience in education and technology, working as an instructor and teacher in technical IT courses as well as a web developer. Solid experience teaching programming, networking, operating systems, and digital design, in addition to front-end and back-end development (HTML, CSS, JavaScript, PHP, React, Node.js). Bachelor's degree in Computer Science with a postgraduate specialization in Software Engineering.

OBJECTIVE

- IT Instructor / Technical Trainer
- Web Developer (Front-end / Full Stack) — UI/UX

TECHNICAL SKILLS

- **Web Development:** HTML5, CSS3, JavaScript, jQuery, PHP, React, React Native, Node.js, MySQL
- **Design & UI/UX:** Figma, Photoshop, Illustrator, After Effects, Digital Photography
- **Infrastructure & Networking:** LAN/WAN network configuration, routers, fiber optics, servers, patch panels
- **Operating Systems:** Windows, Linux
- **Teaching:** Lesson planning, hands-on technical instruction, student tutoring and mentoring

EDUCATION

- **Bachelor's Degree in Computer Science** — Anhanguera Educacional, completed 2012
- **Postgraduate Specialization in Software Engineering** — Estácio de Sá, completed 2019

PROFESSIONAL EXPERIENCE

IT Instructor — SENAI2022 – Apr 2026

- Taught courses on operating systems, hardware, networking, HTML, JavaScript, Java, MySQL, React, and React Native to technical program students.
- Also taught modules on UI/UX, Photoshop, Illustrator, Figma, digital design, and photography.
- Delivered 16 student projects and graduated 96 students.

Teacher — SENAC2022

- Taught courses on operating systems, hardware, networking, network configuration, computer imaging/formatting, and Microsoft Office.

Teaching Assistant / Teacher — ETEC Prof. Jadyr Salles2016 – Nov 2022

- Assisted teachers and students in the computer lab, preparing required software for classes and managing internal networks, patch panels, and the data server.
- Between 2018 and 2019, also worked as a teacher of HTML, CSS, and PHP, guiding students from web page fundamentals through object-oriented programming and database integration.

Tutor — Information Systems — UNIP Porto Ferreira2016 – 2017

- Supported Information Systems students with technical questions, coursework guidance, and academic advising.

IT Technician / Sales Representative — THS Provider2014 – 2015

- Configured networks, routers, 3G modems, radio internet, and fiber-optic internet (including Fiberhome); performed computer maintenance and assembly.
- Installed and reformatted operating systems (Linux and Windows XP/7/8/10), drivers, and software, providing on-site and phone technical support.
- Handled invoicing, billing, and sales of radio and fiber-optic internet plans.

Teacher — Escola Evolua Educação Profissional2013

- Supported students with questions and explanations on course topics and tools offered by the institution.

Administrative Assistant — Associação Comercial e Empresarial de Porto Ferreira2009 – 2012

- Handled customer service, invoicing, billing, accounts payable/receivable, and registration of health plan members.
- Performed network and email configuration and maintenance of computers and printers.

Office Assistant — Associação Comercial e Empresarial de Porto Ferreira2007 – 2008

- Handled bill payments and collections, customer service, and document filing.
